# Great Strength

Is not required to do washing and house-cleaning, when it is done with PEARLINE. With Pearline, a delicate woman can do this hardest of woman's work with comparative ease. She don't have to rub herself or her clothes to pieces when she washes in this new way.

You will find these labor-saving directions on every package, and one trial will convince you that in PEARLINE you have found the most improved means and method for all washing and cleaning. Millions are using it.

Beware offering imitations which they claim to be Pearline, or "the same as Pearline." IT'S FALSE—they are not, and besides are dangerous. PEARLINE is never peddled, but add by all good grocers.
